

I have a favour to ask of you. I'm in the process of putting together a booklet / web page of testimonials - a collection of comments about my services, from satisfied clients like yourself. Would you please take a few minutes to give me your opinion of my consulting services? There's no need to dictate a letter - just jot your comments below, sign, and email or fax this back to me. I look forward to learning what you like about my services...but I also welcome any suggestions or criticisms, too. Many thanks, Tammra Green - RNCP
